

Mrs. Behrendt's

Assessment Philosophy

Assessment Beliefs

Assessments should be:

- Clear and concise
- Target driven
- A way to guide and improve learning
- Relevant and Meaningful
- A combination of process and product activities

Assessment Purposes

We assess to:

- Provide evidence of student learning
- Give feedback to students on where they can improve and what they do well
- Allow students to show what they know
- Encourage a life-long learner mentality
- Empower students so they know success is within reach
